The IAET is offering Illinois Concealed Carry License (CCL) training as a special benefit for its members, friends, and family. A CCL holder may legally carry a concealed handgun in 29 states, including every state that surrounds Illinois. Vantius® will provide training from a law enforcement firearms instructor and licensed private detective. A FOID card is not required to attend. You may apply for one at the same time as your CCL.

***Vantius®'s President and IAET member Sergio Serritella is donating services so that all proceeds benefit IAET and its charitable causes.**

The fee of \$150 includes all training and range fees. You may bring or purchase 35 rounds of ammunition and are welcome to use your own firearm or a complimentary loaner for the live-fire qualification at Article II Range, 250 Cortland Ave, Lombard, IL. on April 3, 2022.

The State of Illinois charges residents \$150 and non-residents \$300 for a license that is valid for 5 years payable to the Illinois State Police.

Live-scan fingerprinting will be available on site on April 2nd for a fee of \$60 per person payable to that vendor. You do not have to submit live-scan fingerprints, but doing so speeds the process.

Please register and pay by May 3rd to insure we have the proper space and food arrangements.
